# COLUMBIA MONTESSORI SCHOOL CHILDREN AROUND THE WORLD

## SUMMER 2024

### JUNE 10 – AUGUST 23

The Columbia Montessori School is offering an exciting Summer Camp of the finest Montessori learning experiences. Our summer camp can be an introduction to our popular pre-school and Kindergarten program which is offered during the school year. It can also serve as an excellent enrichment opportunity for children 3 to 6 years of age.

Join us this summer as we study how children around the world are alike and different. We will learn about life in other countries as well as build cultural awareness and global respect. We will also have lots of enjoyable summer activities, such as Waterplay, Spanish, Yoga, Music, Arts and Crafts, Nature Studies, Science and In-House Field Trips.

The Montessori Camp will be offered every day from 9:00 to 3:00. Academics are reviewed in the afternoon when time allows. All fees, except swimming and in-house field trips are included in the tuition. A summer calendar will be available to show curriculum plans and when special classes and activities will be scheduled.

**All new students must attend at least two weeks during the summer to help acclimate to their new environment and teachers.**

In the event that an admitted student has not adjusted to the summer camp, the student may be withdrawn. A determination that the student has not adjusted to the summer camp will be reached by the teacher and the Director of the camp.
